- 4 This benefit can be claimed only once. We will not pay this benefit if the insured suffered symptoms of, had investigations for, or was diagnosed with, the illnesses or conditions at any time before or within 90 days after the cover start date. Cover start date refers to the date we issue the policy, or the date we issue an endorsement to include or increase a benefit, or the date we reinstate the policy (whichever is the latest).
- 5 Based on a monthly premium of \$41.50 for a female, age 25, non-smoker who signs up for Lady 360 with a sum assured of \$25,000 and a premium term till age 64. The premium of \$1.40 per day is rounded up to the nearest \$0.05, assuming there are 30 days in one month.
- 6 The biennial health screening benefit is available from the second policy anniversary of the cover start date. We will write to you when this benefit is due, provided that there are no outstanding premiums due under your policy, and the policy is still inforce. This benefit is not transferable and the health screening must be completed within 180 days from the date we write to you and conducted at any one of our panel of clinics listed on our letter to you. You can find the list of tests provided under this benefit on our website at [www.income.com.sg](#).
- 7 The insured must survive for at least 7 days after the insured is diagnosed with a covered female illness before we pay the female illnesses benefit. All payments are subject to the limit shown in the benefit table and the total amount under this benefit will not exceed 100% of the sum assured. You can claim for each female illness only once, except for cancer where you may claim more than once. If we pay a claim that is less than the cover limit, the percentage of the sum assured payable for this benefit will reduce accordingly. We will not pay this benefit if the insured suffered symptoms of, had investigations for, or was diagnosed with, the illnesses or conditions at any time before or within 90 days after the cover start date. Please refer to the policy contract for further details and definitions of insured events.
- 8 We will pay this female surgeries benefit up to the limit shown in the benefit table. The total amount paid under this benefit will not exceed 50% of the sum assured. If the insured underwent multiple female surgeries due to the same condition, we will only pay for one female surgery which has the highest benefit limit. You can claim for each female surgery only once, except for surgeries due to cancer. If we pay a claim that is less than the cover limit, the percentage of the sum assured payable for this benefit will reduce accordingly. We will not pay this benefit if the insured suffered symptoms of, had investigations for, or was diagnosed with, the illnesses or conditions at any time before or within 90 days after the cover start date. Please refer to the policy contract for further details and definitions of the insured events.
- 9 We will pay this support benefit up to the limit shown in the benefit table. The total amount paid under this benefit will not exceed 100% of the sum assured. If we pay a claim that is less than the cover limit, the percentage of the sum assured payable for this benefit will reduce accordingly. We will not pay this benefit if the insured suffered symptoms of, had investigations for, or was diagnosed with, the illnesses or conditions at any time before or within 90 days after the cover start date, unless it is for reconstructive surgery benefit due to accidental burns or accident, or outpatient psychiatric benefit due to disfigurement from accidental burns or death of the insured's spouse or child. Please refer to the policy contract for further details and definitions of the insured events.

## IMPORTANT NOTES

- 10 You can claim for more than one insured event from female illnesses benefit, female surgeries benefit and support benefit, up to the cover limit as set out in the benefit table, provided it is not for the same illness, surgery or cause (except for cancer). If we pay a claim that is less than the cover limit, the percentage of the sum assured payable for that benefit will reduce accordingly. This policy will end when the total claims paid for the insured events under female illnesses benefit amounts to 100% of sum assured, female surgeries benefit amounts to 50% of sum assured and support benefit amounts to 100% of sum assured; or the death benefit is paid, whichever is earlier. Please refer to the policy contract for further details and definitions of the insured events.
- 11 Policy renewal is applicable only if there is no claim under your policy during the contract term. We will renew your policy for the same contract term and sum assured. However, if the policy is renewed on or after the insured's 45<sup>th</sup> birthday, we will renew it up to age 64 (last birthday). The renewal premium will be based on the policy's renewal term, sum assured and the age of the insured at the time the policy is renewed.
